## OUR MISSION

Regina Public Schools' mission is to instil the value of knowledge, the dignity of effort, and the worth of the individual. Our school community is united and this mission exemplified in four Shared Values statements: *I belong*; *I want to know*; *I am responsible*; and *I respect*. These values give direction to what we teach both inside and outside the classroom. Our Shared Values transcend our differences and provide an equal opportunity to recognize and encourage the unique characteristics and contributions of students, families, and staff.

## OUR KINDERGARTEN PROGRAM

Children 5 years of age as of December 31, 2017 may register for Kindergarten in Regina Public Schools for the 2017-2018 school year.

Our Kindergarten program builds on early learning principles, paying particular attention to the environment and the roles of conversation and play in children's learning experiences.

The half-day program, which runs Monday through Friday, has a qualified teacher who provides programming designed to facilitate inquiry through children's play for up to 25 children. Environments are carefully designed to inspire children to wonder, ask questions, and be curious; promote the holistic nature of children's learning; and encourage independence, responsibility, and participation.

Regina Public Schools offers Kindergarten in both English and French. Each program follows a language-specific curriculum as set forth by the Saskatchewan Ministry of Education.

### **OUR PRE-KINDERGARTEN PROGRAM**

Children between three years as of date of application and four years of age as of December 31, 2017 may apply for Pre-Kindergarten in Regina Public Schools for the 2017-2018 school year.

Our Pre-Kindergarten program is a developmentally appropriate early childhood education program for three- and four-year-old children. Space is limited and children who would benefit most from enhanced programming and meet eligibility criteria, based upon Saskatchewan Ministry of Education guidelines, are prioritized for enrolment.

The half-day program, which runs Monday through Thursday, has a qualified teacher and teacher associate who provide play and exploration based programming for up to 16 children. Programming is child-centred, self-directed, and focused on holistic child development: social-emotional, physical, intellectual and spiritual.

Family engagement is an important part of the Pre-Kindergarten program. Through active involvement in the Pre-Kindergarten program, parents enhance their parenting skills and share responsibility for the well-being and education of their children.

Regina Public Schools offers Pre-Kindergarten in English. Each program follows a specific curriculum as set forth by the Saskatchewan Ministry of Education.

Our school division does not provide transportation for Pre-Kindergarten; therefore transportation to and from Pre-Kindergarten is the responsibility of the family. Further to this, Pre-Kindergarten school boundaries apply to Pre-Kindergarten only. The Elementary School attended by students in Kindergarten to Grade 8 is determined by Elementary School boundaries.

If you are interested in registering or learning more about Regina Public Schools' Pre-Kindergarten and Kindergarten programs, please call one of our [Elementary Schools](#) or visit either [Student Registration](#) or [Early Learning](#) on our website.
